

29 July 2014

Dear Growers,

I'm pleased to advise that each of the three resolutions put to Growers in the GSHVT 2007 and GSHVT 2008 Schemes yesterday were approved by an overwhelming majority of Growers. Growers attending in person and by proxy voted in favour of each resolution by around 99%.

Lowell will now proceed to restructure the Schemes as outlined in the documentation sent to you earlier this month. As such, if you wish to continue as a member of the restructured Scheme, you **must** complete and return the Acceptance Form sent to you, together with payment, by **5.00pm on 22 August 2014**.

If you fail to do so, the 2007 and 2008 Schemes will now be wound up and you will lose all entitlements.

If you have any queries, or need a replacement Acceptance Form, please contact Lucia Garreton on 03 9665 2499.

Yours sincerely

Michael Ramsden  
Chairman
