

## **Advice to growers in the HVT Projects - 7 July 2012**

Dear Grower,

Lowell has a plan to provide HVT Projects with a sustainable future.

It is critically important that you lodge a vote FOR both resolutions at the meeting to be held on 10 July 2012.

**If Growers vote against the Resolutions or adjourn the meeting, the Lender will not lend the funds necessary to settle the Land Transaction.**

**Be clear, that a vote against the resolutions is tantamount to a vote to wind up all the Schemes.**

Lowell strongly recommends that you vote **FOR** the Resolutions.

**If you have previously voted Against the Resolutions you should change your vote before the close off time.**

**Proxy voting closes at 10.00 AM (Eastern Standard Time) Sunday 8 July 2012.**
